RELEASE/ACCESS OF INFORMATION FORM

Occasionally, there are circumstances when, on short notice, it is important for Miawpukek Human Resources to be able to release/access student information related to post-secondary assistance. These situations include:

1. Release of financial data to social assistance administrators.
2. Release of financial data related to recovery actions to the Chief of your Band.
3. Access to student registration/academic information from a post-secondary institution.
4. Release of student information to the Post-Secondary Education Counsellor at Band level.

*To avoid delay in receiving your post secondary assistance cheques, please complete and forward this release form by September 30th of each academic year.
